**Re: Petition for Treatability Variance for
Selenium Bearing Wastestream in
Accordance with 40 CFR 268.44**

Dear Ms. Whitman:

Heritage Environmental Services, LLC ("Heritage") is submitting the enclosed land disposal restriction treatability variance petition in accordance with 40 CFR 268.44 and US EPA's assistance document titled "*Land Disposal Restrictions Treatability Variances & Determinations of Equivalent Treatment.*"

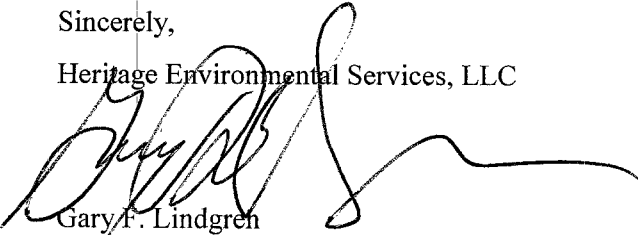

Portions of this document are considered Confidential Business Information ("CBI") in accordance with 40 CFR Part 2. Heritage has identified these documents by noting that they are confidential and segregating the documents in a separate envelope.

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this petition and all attached documents, and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

Should you have any questions or need additional information, please contact Doug Opell at 317-486-2773 or doug.opell@heritage-enviro.com.

Sincerely,

Heritage Environmental Services, LLC
